Product Description

EGO POWER+ 21" Single Stage Auger Propelled Snow Blower Kit - SNT2125AP

The EGO POWER+ Auger-Propelled Snow Blower delivers the power and performance of gas-powered snow blowers without the noise, fuss and fumes. Featuring Peak Power™ technology, this cordless snow blower combines the power of any two EGO 56V ARC Lithium™ batteries to clear heavy, wet snow with a throwing distance up to 45 feet. Built with a high-efficiency brushless motor and rubber paddles that make contact with the ground, this cordless electric snow blower cuts through heavy snow with ease and leaves a cleaner finish. The innovative auger-propelled design supports simultaneously propelling the snow blower forward while clearing snow through the chute to make cleaning pavement effortless for the operator. Premium features like heated handles and LED lights come standard. Experience Power Beyond Belief™ with the EGO POWER+ Auger-Propelled Snow Blower and the entire EGO POWER+ lineup.
