Product Description

Maruyama BL70-SP Backpack Blower

Maruyama blowers are designed and engineered with a dedication to providing the best total machine available. This requires balancing weight, noise level, comfort, durability, service life, and of course, output. Never settle for a one-feature blower.

Maruyama's new BL70 is the perfect mid-size blower to complete Maruyama's power blower line-up. Lightweight yet powerful and very durable for the most demanding needs. Maruyama blowers work hard season after season.

Discover the clear difference, discover Maruyama.
