Product Description

ECHO Power Edgers... The Perfect Edge for a Perfect Look!

ECHO Perfect EdgeTM edgers create that perfect manicured look for commercial properties and residential home sites. Nothing finishes a yard like a crisp edge between a sidewalk and the turf.

An ECHO edger delivers superior power and durability in lightweight and easy-to-maneuver units. Most ECHO edgers feature a Pro-Torque[™] gear case that provides 20% more torque than traditional equipment and a clogresistant shield to keep material from piling up and slowing down the blade.

Features may include:

- 21.2 cc professional-grade, 2-stroke engine for outstanding performance
- Heavy-duty, height-adjustable guide wheel with solid rubber tread
- i-30TM starting system for reduced effort starting
- Durable, molded shield for reduced material kickback
