Product Description

F1002SPV Force Blower

Commercial clean-up power, ideal for medium size maintenance contractors and large property owners. Forget the fatigue associated with pushing blowers. The 305cc engine is self-propelled to increase productivity so you can rip through 30% more property a day!

Features -

F10 Smooth, Rounded Housing:

Eliminates air voids for a smooth, quiet, powerful flow. Proven design won't rust or dent. Backed by a limited 5-year warranty. Complete warranty details can be found in Operations Manual.

Patented Aim N Shoot™:

Directs the airflow where you need it most with fingertip control and is lockable for single positions.

Thicker Padded Handles:

Best in class for comfort and productivity.

F10 Warranty:

Limited 3-year engine; limited 2-year machine; limited 5-year housing.

Advanced Fan Technology:

Features a single shot 16-blade closed face fan; twice as many blades as others on the market.

Self-Propelled Option:

Forget the fatigue associated with pushing blowers. The 570cc Vanguard engine F1802SPV is self-propelled, offering increased productivity.

Low Weight:

Best in class weight so you can finish faster!

Quiet Operation:

Compared to backpacks and steel blowers, the quiet operation is a welcome relief among users and in neighborhoods.

Standard Forward Discharge:

Soft rubber design is a snap to install and is perfect for cleaning along walls and fences.

Single-Cylinder Vanguard® Engine Advantage
