Product Description

F1302H Force Blower

Professional power and productivity, this Honda powered unit is a favorite for full size landscapers, seal coaters, schools, parks departments, cemeteries, resorts, street departments and golf and estate properties.

Features -

Patented Aim N Shoot™:

Directs the airflow where you need it most with fingertip control and is lockable for single positions.

Advanced Fan Technology:

Features a single shot 16-blade closed face fan; twice as many blades as others on the market.

Self-Propelled Option:

Forget the fatigue associated with pushing blowers. The 305 cc Vanguard engine F1002SPV is self-propelled, offering increased productivity.

F13 Smooth Rounded Housing:

Eliminates air voids for a smooth, quiet, powerful flow. Proven design won't rust or dent. Backed by a 5-year warranty.

Thicker Padded Handles:

Best in class for comfort and productivity.

Quiet Operation:

Compared to backpacks and steel blowers, the quiet operation is a welcome relief among users and in neighborhoods.

F13 Warranty:

3-year Honda engine; 2-year machine; 5-year housing

Low Weight:

Best in class weight so you can finish faster!

Standard Forward Discharge:

Soft rubber design is a snap to install and is perfect for cleaning along walls and fences.
