Product Description

EGO Power+ 21" Self-Propelled Mower with Peak Power™ - LM2142SP

The EGO POWER+ 21" Self-Propelled Mower with Peak Power™ Technology combines the power of any two EGO 56V ARC Lithium™ batteries to deliver long runtimes and efficient power draw. This cordless lawn mower delivers up to 80 minutes of runtime on a single charge with the two included 56V 5.0Ah ARC Lithium™ batteries. Easily adjust the variable speed self-propel from .9 to 3.1 MPH. The electric lawn mower delivers precision cutting across six cutting height positions from 1.5 to 4 inches, adjustable with one hand. Three-in-one functionality delivers your choice of mulching, side discharge, or bagging your grass clippings; an easy-access two-bushel grass collection bag is included. This self-propelled lawn mower includes bright LED lights for added visibility when mowing at dawn or dusk, and it folds flat for compact storage between cuts. Experience Power Beyond Belief™ with the EGO POWER+ 21" Self-Propelled Lawn Mower.
