### Product Description

## EGO Power+ 52" Z6 Zero Turn Mower - ZT5207L

The EGO POWER+ 52" Z6 Zero Turn Riding Mower is a ZTR like nothing else out there. Featuring Peak Power™+ technology, it combines the power of up to 6 EGO 56V ARC Lithium™ Batteries – the same battery technology powering all EGO products, making it the World's First Platform Compatible Rider. Engineered with 5 independent brushless motors to deliver 25 horsepower, equivalent to a gas engine, in cutting and driving power. Built with a 52" 10-gauge fabricated steel deck and reaching a top speed of 8 MPH, this new ZTR allows you to cover more ground, faster. Cut up to 4-acres on a single charge with six included EGO 12.0Ah 56V ARC Lithium™ batteries. Go even further by adding more batteries to cut 5, 6, 7 or as many acres as needed – unlike any other battery-powered ZTR in the market. The Industry's Fastest Charger fully charges 6 x 12.0Ah in just 4 hours, up to 4x faster than competitors. The adjustable seat suspension guarantees a smooth ride. Customize the mowing experience with an LCD interface featuring 3 driving modes: Control, Standard, and Sport – that can be accessed with the simple touch of a finger. Premium features like LED lights, USB charging port and Bluetooth come standard to make the experience unlike any other ZTR. Built for durability – the mower, batteries and charger are all backed by a 5 year warranty. Experience zero-turn mowing like never before with the all-new EGO Power+ 52" Z6 Zero Turn Riding Mower – Power Like No Other.

### TECH SPECS
